Consultants to the Administrative Staff

The superintendent may retain the services of consultants to study aspects of the district's management, organization or operation, or to provide training to district staff.

All consultants will be approved by the superintendent or designee prior to the invitation and arrangement for visitation to the district by such person or persons. Proposed contracts with consultants will be submitted to the Board for approval and will be accompanied by figures showing the estimated cost to the district for the consulting project if line item funds are not available in the adopted budget.
